**COMMUNICATION
BY JAGIELLONIAN UNIVERSITY VICE-RECTOR
FOR RESEARCH
of 4 October 2021**

on: submitting research project funding proposals under the NAWA Urgency Grants call published by the National Agency for Academic Exchange.

This is to inform you that the Polish National Agency for Academic Exchange (NAWA) has announced the **second edition of its call** for research funding proposals in the programme NAWA Urgency Grants, which seeks to offer support to international cooperation of research teams or the international mobility of researchers in response to sudden, important unforeseen social, civilisation and natural events with global or regional implications.

Proposals submitted in the call must cover research that may not be implemented by applying through other existing funding mechanisms due to the need for a rapid response. Participation in the call will enable researchers to carry out fast-response research in collaboration with foreign entities and to develop solutions with special significance for the ground-breaking phenomena.

The key element of the project is international collaboration of the project group or international mobility of researchers focused on meeting the project's research objectives. In the case of research projects featuring expeditions and field work on sites where unique phenomena occur, calling for a rapid response, it is possible to include in the proposal only actions that fall under the heading of international mobility.

The call for submissions at the NAWA is open until 30 November 2021, 3:00 p.m. local time (Warsaw) or until the funds allocated, i.e. PLN 5 million have been exhausted.

The maximum funding requested for an individual project may not exceed **PLN 300,000** .

Go to the following websites to learn about the terms of application:

- NAWA: nawa.gov.pl/ under the tab "NAWA Programmes" → "Programmes for Scientists"
- CAWP: cawp@uj.edu.pl, under tab "Open calls" → "NAWA (Polish National Agency for Academic Research)"

JU internal regulations:

In view of the fact that under the second edition of the call **one university may submit one proposal** (in the previous round two proposals were submitted, which exhausts the limit of three proposals in total), please submit, until **14 October 2021, 12:00 a.m.**, declarations of application in the call, drafted in accordance with the template attached as annex 1 to this Communication.
